

## *Galatians and 1st & 2nd Thessalonians for Everyone*

St. George's Church — Spring 2023

This is a suggested reading schedule. You cannot get behind. Read at your own pace! This schedule, however, is the basis for the Rector's Bible Study & Youth Bible Study. The idea is that you *finish* the scheduled portions by the date listed; that will be discussed on that Sunday.

NT Wright's *Paul for Everyone: Galatians and Thessalonians* is an encouraged although optional aid in our study. This is available on Amazon.

While youtube can be something of the wild west (please don't watch everything you find there!), there are some videos from Tom Wright and Wheaton professor Douglas Moo which are easy to find and highlight / explain some of the debates about Galatians and Paul's discussion of the Law in this Letter. You can simply search in Youtube, Tom Wright and Galatians or Douglas Moo and Galatians
