

The Rock is the Lord Jesus Christ. The Church is built by God upon the Rock and Foundation of Jesus.

In the wake of the coronavirus pandemic, St. George's is striving diligently to rebuild our ministries, keep our staff properly compensated, and faithfully care for our church building and grounds. Your financial support is vital to rebuilding our church. By pledging, God is working through you to build His Church upon the Rock of Jesus Christ.

The Christian life is a whole life, not a partitioned life. What we do with our money, and how we understand money, is every bit as much a part of our Christian life as prayer, worship, study, fellowship, and service.

All that we have is from God and ultimately belongs to God – we are simply temporary stewards of what He has given us.

Scripture teaches that Christian disciples should strive to give a tithe (10%) of their income. Our goal is to have all members give at least 5%, a half-tithe, and then each year, as we are able, increase by 1% until we reach 10%.

2021 Annual Budget	\$ 651,380.00

The 2022 Proposed Budget is a modest 3% increase from 2021. Most of the increase is for staff compensation, many of whom are due for raises and deserving of it for their competency and hard work serving St. George's. The Diocesan Mission Share also went up for 2022. There are modest increases proposed for our programming (such as music, adult education, family ministry, and youth) as we rebuild these ministries.

As you prayerfully consider your pledge for 2022, we encourage you to consider moving up a step in your giving. Here is a breakdown of giving at St. George's in weekly increments:
