To Whom It May Concern:

This letter is a request for donations for **St. George's Episcopal Church Spaghetti Supper**. The purpose of this annual event is to raise money for Community Outreach which benefits local, national and international charities. Funding is raised during the Spaghetti Supper by selling tickets to the event, running a silent auction, and a split-the-pot-raffle.

All proceeds from the Spaghetti Supper are dispersed by the Community Outreach Ministry of St. George's to a variety of charities. Recently, grants or support have been given to the Dayton YWCA, YMCA's Camp Kern, The Castle, Kids in New Directions, The House of Bread, Canterbury Court, Champaign County Habitat for Humanity, City Heart, Alice Lloyd College, and the Dayton Food Bank, as well as areas nationally and internationally coping with disasters. Some of these include: Episcopal Relief and Development (for Ukraine), the United Way of TN (storms and flooding), and El Hogar (education to Honduran children.) Other organizations also benefit depending on availability of funds and requests.

The date for the upcoming Spaghetti Supper is **October 22, 2022**. Tickets are priced for adults and children with a family cap to keep things affordable. The meal includes salad, spaghetti with meatballs or sausage and sauce, breadsticks, and dessert.

Before supper is served, participants can peruse the items available for sale in the silent auction or take part in several fun activities. Items for the silent auction are donated by church members and local businesses and have ranged from beautiful handmade quilts to paintings to gift baskets to vacation rentals. There are always special activities for children attending the dinner.

St. George's would appreciate any donation your company might be willing to give. If you have any questions or need further information, please don't hesitate to contact Bryan or Susan Daly at **937-581-0319** or call St. George's Episcopal Church at **937-434-1781**.

Thank you for your consideration of our event.
